

Covid-19 Protocol Highlights

Kids' University will be using the guidance from the CDC to promote behaviors that reduce the spread of Covid-19. That information can be found here:

<https://www.cdc.gov/coronavirus/2019-ncov/community/schools-childcare/schools.html>

Highlights of our Safety Protocols Include:

- Daily temperature checks
- Promotion of hand hygiene and respiratory etiquette
- Specified drop off and pick up locations
- Masks will be worn at all times within facilities when distancing is not possible
- Reduced class sizes
- Special adaptations to activities to consider heightened cleanliness and sanitization
- Additional cleaning and disinfecting of all indoor spaces
